The Young Children's Art Contest and Exhibit is a countywide program for children 6 months to 5 years. This year's contest was a huge success! We collected over 200 pieces of art from child care centers in Orange County. The selected art is being framed and will be displayed throughout the county during the year. Through art activities, the young child develops a healthy personality by creatively expressing his/her own thoughts and ideas. Imagination, self-expression, and independent thinking are important for later success in school and in life.
